

Stuart Whitehead

Director - Corporate Finance

Professional background:

Stuart specialises in corporate finance, strategic and operational improvement services, IT advisory services and delivers project management and change management engagements for a range of clients. He has lead complex performance improvement and turnaround engagements for private and public companies involving multiple stakeholders across a range of industries.

Prior to joining Moore Stephens, Stuart was Principal of Whitehead Advisory, which he founded in 2012 and held senior roles at Deloitte, 333 Capital and Andersen.

Operating from both our Melbourne and Geelong offices, Stuart is readily available to his client base in both Melbourne and to the West of Victoria.
