

Vanessa Wu

Principal- Business Advisory

Professional background:

Vanessa's career has seen her develop a diverse skill set providing tax, accounting, superannuation and business structure advice to small and medium sized entities.

She has also accumulated significant audit experience including Corporations Law, Not For Profit and Trust Account audits.

Her clients include high wealth individuals, private and public entities both Australian and foreign residents. They extend across the property, construction, wholesale, hospitality and numerous other sectors.

Vanessa's diligent and hands-on work style has seen her working closely with business owners and decision makers, assisting them in areas of compliance, management accounting, restructuring and their business succession and growth.

Areas of expertise:

- Family Business
- Corporate Structuring
- Business Succession Planning
- Superannuation Strategies
- Strategic Planning
- Income Taxation
