

## Paul Breman

### Director – Local Government

#### Professional background:

Paul has been involved in the Local Government Industry for 30 years. He has held positions at a variety of local governments in WA ranging from large metropolitan to small rural local government. Prior to Moore Stephens, Paul's most recent position was as the Executive Manager of Corporate Services, Shire of Esperance.

Paul is a CPA with an in-depth knowledge of local government accounting, management and governance practices. He brings to the firm a rare strength of local government experience which demonstrates the firm's long term commitment to the Industry. His experience and "hands on" knowledge is widely recognised in the Industry. As a practitioner he was the recipient of numerous financial management awards including WA Public Sector CPA of the Year 2001.
