

Russell Barnes

Director – Local Government

Professional background:

Russell has 8 years' experience with local government, the last 4 years in the provision of client services with the Firm and the previous 4 years in the provision of audit services.

He commenced his career as an Audit Clerk with Ernst & Young in South Africa. Following a brief stint at university in Australia he relocated to Zimbabwe. There he spent the next 14 years in senior management roles at two major companies including a multinational construction company. Both these appointments culminated in him being appointed Managing Director.

He has direct responsibility for a large number of our local government clients and his audit, financial and commercial experience makes him a valuable addition to the Firm

Areas of expertise:

- Business planning
- Strategic planning
- Commercial advisory
- Asset management
- Long term financial planning
- Logistics
- Local government finance
