

Suan-Lee Tan

Director – Assurance

Professional background:

Suan-Lee has over 15 years of experience in providing audit, accounting and corporate advisory services, both in Australia and internationally.

He has extensive experience within the accounting profession, in Australia, Singapore and Europe (working for Moore Stephens London) including internal audit while serving his two and a half years national service for the Singapore Ministry of Defence.

He also has experience within the commercial sector as a business analyst with former ASX-200 ERG Group of Companies (now Vix Technology) where he was responsible for implementing and coordinating the Group's global budgeting process. Suan-Lee is a member of UWA Alumni and honorary auditor of SAVE Foundation of Australia (WA).

Areas of expertise:

- Audit of ASX listed companies, large private entities, not for profits, self-managed superannuation funds and trust accounts;
- Preparation and analysis of budgeting, cash flow and projections;
- Corporate Advisory and Independent Expert related services to private, public companies;
- Business valuations, acquisitions and disposals;
- Business and financial system reviews; and
- Financial reporting and disclosure investigative audits and due diligence reports
