

Wen-Shien Chai

Partner – Audit and Assurance

Professional Background:

Chai commenced his accounting career in 1995 and has extensive experience in auditing, accounting and finance after undertaking various roles across a wide range of industry groups in Malaysia, Laos and Australia.

During his time in Malaysia and Laos, Chai gained considerable experience within the commercial sector after working as an internal auditor and then as a financial executive/manager for KLSE listed group of companies.

Having migrated to Australia in 2002, Chai has worked exclusively as an auditor across various industry sectors including local government, not-for-profit and financial services. Before joining Moore Stephens Perth as a partner in 2015, Chai was previously associated with Byfields and UHY Haines Norton Perth
